This Response is filed in reply to the Restriction Requirement mailed December 31, 2008. A Petition for Extension of Time (one month) and the fee therefor are submitted herewith.

Applicant elects the invention of Group I, identified as claims 10-26 drawn to a stapler for laparoscopic aortic repair.

Applicant reserves the right to file a divisional application directed to the subject matter covered in non-elected claims. Early and favorable consideration of the present application is earnestly solicited.

If communication is filed after the statutory time period had elapsed and no separate Petition enclosed, Commissioner for Patents is petitioned, under 37 C.F.R. §1.136(a), to extend the time for filing a response to the outstanding Office Action by the number of months which will avoid abandonment under 37 C.F.R. §1.135.
